

LAKE LIFE. THE ONLY LIFE.

FAMILY OWNED AND OPERATED SINCE 1972.

The purchase of a boat from Walsten Marine marks the beginning of a long term relationship, one of mutual trust, respect and most importantly pleasure and enjoyment. Every boat model we sell has been test driven and evaluated by our staff to ensure correct performance and handling, power requirements and safety.

Our service facility is one of the largest, best equipped in the area. We can accommodate as many as 15 boats at one time, ensuring a clean, dry, professional environment in which to service your boat. All of your boats requirements can be handled by one of our factory trained technicians.

AFTER MORE THAN 40 YEARS AND 3 GENERATIONS OUR LIFE IS LAKE LIFE!
